## PARENTS

Are you constantly looking for fun ways to expand your children's or teenagers' horizons? Do your youngsters become restless in the summer? Silicon Valley Youth Bridge Summer Camp may be the solution you need!

## STUDENTS

Do you like to play games or solve puzzles? Would you like to learn a challenging new game? Would you like to meet others who like the same things?

Have you taken some bridge lessons? Have you wished you could learn faster or play more?

If you answered yes to any of these, **Silicon Valley Youth Bridge** has a great summer camp for you!

If you are new to bridge, sign up for Session One and teachers will help you get started playing the best card game ever. If you know how to play, sign up for either or both sessions and an intensive "training camp" will help you advance rapidly. The camp will give you lots of practice with old and new friends, and the chance to ask lots of questions.
